

*Stillness, except for the gentle voice
of the wind and whisper
of the sea upon shore.*

*A world away from yesterday
where it is enough for us to
merely be...*

*A private, peaceful space that only you inhabit.
A sanctuary that nourishes you with its beauty
and tranquility. Romance comes easily here.*

Cook  Islands

welcome...

Kia Orana!

From the moment you land, the beauty, warmth and friendliness of the Cook Islands sweeps you off your feet. You're greeted at the airport with garlands of fresh flowers and breezy island tunes from the legendary Papa Jake, who strums a cheerful song for new arrivals. Beyond the airport your romantic holiday awaits. White sand beaches, pristine lagoons, jagged volcanic peaks, lush forests – whether relaxing in the sun, or strolling hand-in-hand along a beach, you'll appreciate the untouched natural beauty of your surroundings. You could say these islands were made for romance.

With impossibly blue lagoons and dazzling white sand beaches, our islands offer the perfect romantic escape. Moonlit walks on soft silky sand, snorkelling in warm azure lagoons amongst a myriad of colourful fish, treks to deserted spots, sipping champagne at sunset – there's simply no better place for love. Relax, chill-out, slow down to the island pace and re-discover your passion for each other in this seductive environment. Here, you'll find a honeymoon that is beyond your wildest dreams, on islands that are amongst the most beautiful on earth.

immerse...

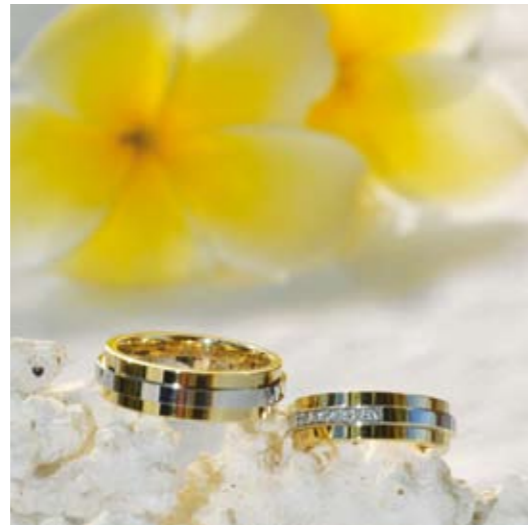

In the Cook Islands every day boasts a hundred romantic possibilities. You can enjoy slow-paced days or fast-paced nightlife. You can venture into local villages for a taste of laidback island life, or kayak to a deserted island to hide away for hours on end. Whether it's coming face-to-face with the islands' rich culture of song and dance, or adventures in the great outdoors, together you'll find yourself easily absorbed into the gentle rhythm and laid back lifestyle of these islands.

Rejoice in your love for each other in this idyllic setting. Here, you'll find it so easy to say "I do". You could tie the knot while standing barefoot on champagne-coloured sands at sunset, in a flower-filled pavilion, or on the secluded shores of a tiny, deserted island. You could be transported to your marriage location in a traditional outrigger canoe, or transported to another era with a magical island wedding dance. You can be surrounded by family and friends, or surrounded by nothing but nature. Whatever your choice, you can be sure your wedding day, or re-affirming your wedding vows will be incredibly memorable and magical. And above all, romantic.

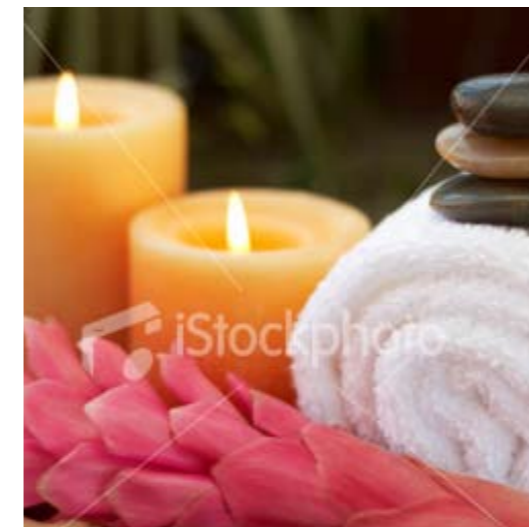

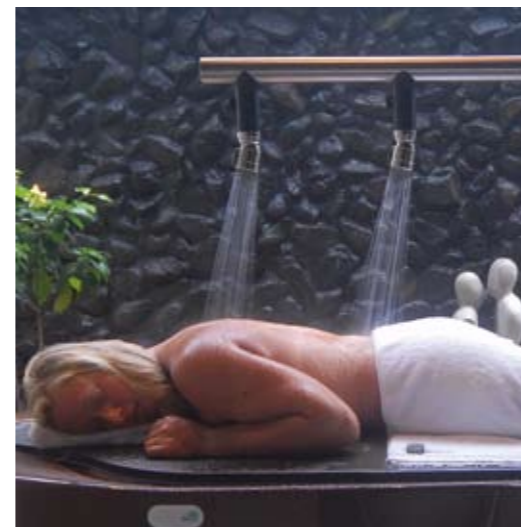

indulge...

The Cook Islands boasts some of the world's finest small resorts, most in an enclave of refinement and intimacy, boasting only a handful of bungalows, suites, villas and luxurious 'ares' (bungalows) hanging over the water. In sumptuous and unique restaurants you can treat yourselves to mouth-watering local and Pacific cuisine, matched with the world's finest wines. And for the ultimate treat - pamper each other in the private oasis of a spa, where you can experience a variety of body wraps, facials, manicures, pedicures and aromatherapy; or luxuriate in a beachside location with a relaxing massage. Together, you'll be glad you made space for the romance of the Cook Islands.
